Northern Partners Cooperative

Credit Policy

Credit Approval: Credit will be extended to patrons who have established credit worthiness, and those who have completed a credit application and have been approved. Credit privileges may be revoked at any time. Patrons on the company's cash only list or persons who do not qualify for an open account must pay cash in full for all purchases.

Statements: A statement will be generated the last day of each month showing the beginning balance, purchases, payments and the month end balance owed by the patron. The new balance is due by the 20th of the month following the month the charge was made.

Finance Charge: The finance charge will be determined at a rate of 2% per month (Annual Percentage rate of 24%) with a minimum finance charge of \$5.00 per month. Finance charges will be added to all new balances over 20 days old and continuing until the balance is paid. Any statement showing a balance past its due date is considered past due. Payments and other credits are applied to accrued interest first, then to the principle amount.

Past Due Accounts: If an account is not paid in full in 90 days, no further credit is given and purchases will be cash only until the account is current again. Any account exceeding 90 days past due will be required to complete a new credit application. If an account is not paid in full at the end of 6 months legal action may be taken. When extra costs (attorney fees, court costs, etc.) are incurred for collection of payment, these costs will also be charged to the patron.

NSF Issues: There will be a service charge for any reason a customer's check is returned to Northern Partners Cooperative or ACH payment is declined.
